2026 CATALOGUE

# Life-Saving & Fire-Fighting Equipment

Lifejackets · Immersion suits · Lifebuoys & lights · SCBA · EEBD · Fire-fighter's outfits

Transport Canada approved | SOLAS compliant | 5 to 8 week delivery

**Wolf Ocean**, the LSA & FFE division of **XP Marine**

# Why choose us

We supply Canadian shipyards, ship owners, ferry operators, fishing fleets and training centres with approved life-saving equipment, direct from the manufacturer.

### Transport Canada approved

Lifejackets, immersion suits, lifebuoys, lights, SCBA, EEBD and fire-fighter's outfits approved by Transport Canada and SOLAS compliant. Certificates available on request.

### Manufacturer pricing

Sourced directly from the manufacturer: competitive prices against the major brands, for small and large quantities.

### Planned delivery in 5 to 8 weeks

Orders imported to your requirements for new builds, refits and tenders.

### Complete documentation

Certificates, declaration of conformity, data sheets, manuals and drawings (PDF, CAD, SketchUp) for your files and inspections.

## How to order

1. **Request a quote**
   Send your equipment list or the vessel specification.
2. **Complete quote**
   Price, lead time, certificates and data sheets.
3. **Order**
   Manufacturing and import to Canada.
4. **Delivery**
   In 5 to 8 weeks, with all conformity documents.

### About Wolf Ocean

Wolf Ocean is the LSA & FFE division of XP Marine. It supplies the Canadian marine industry with approved life-saving appliances (LSA) and fire-fighting equipment (FFE), with service in English and French.

## Lifebuoy self-igniting light

Brand **DX-Marine** Model **YYQD** Item **EA2402**

LED light for lifebuoys with a constant-current circuit. Supplied with mounting bracket; dimensioned drawing available.

| | |
|---|---|
| **Light source** | LED, constant current |
| **Power supply** | Lithium battery, 3 V |
| **Duration** | ≥ 2 h |
| **Intensity** | ≥ 2 cd |
| **Flash rate** | 50–70 flashes/min |
| **Colour** | White |

**REFERENCE STANDARDS**

SOLAS 1974 as amended · TP 14475 · TP 14612

TC TRANSPORT CANADA SOLAS

## Lifejacket light

Brand **DX-Marine** Model **YYYD** Item **EA2401**

Water-activated LED light for lifejackets and immersion suits.

| | |
|---|---|
| **Light source** | LED, constant current |
| **Power supply** | Lithium battery |
| **Duration** | ≥ 8 h |
| **Intensity** | ≥ 0.75 cd |
| **Flash rate** | 50–70 flashes/min |
| **Colour** | White |

**REFERENCE STANDARDS**
SOLAS 1974 as amended · TP 14475 · TP 14612

TC TRANSPORT CANADA

## Liferaft lights

Brand **DX-Marine** Model **YYTFD** Item **EA2403**

Interior and exterior liferaft lights that switch on automatically when the raft inflates.

| | |
|---|---|
| **Light source** | LED, constant current |
| **Power supply** | Lithium battery, 3.6 V |
| **Duration** | ≥ 12 h |
| **Intensity** | Interior ≥ 0.5 cd · exterior ≥ 4.3 cd |
| **Flash rate** | 50–70 flashes/min |
| **Colour** | White |

# 03 Breathing apparatus

TC TRANSPORT CANADA

## Self-contained breathing apparatus (SCBA)

Brand **DX-Marine** Model **RHZK6-1 · RHZK6.8-1** Item **EB2501 · EB2511**

Compressed-air self-contained breathing apparatus for fire-fighting and work in hazardous atmospheres. Also suited to IBC and IGC tankers.

| Model | Item | Cylinder | Air | Material | Pressure |
|---|---|---|---|---|---|
| RHZK6-1 | EB2501 | 6 L | 1 800 L | Alloy steel | 0–30 MPa |
| RHZK6.8-1 | EB2511 | 6.8 L | 2 040 L | Carbon fibre | 0–30 MPa |

TC TRANSPORT CANADA

## Emergency escape breathing device (EEBD)

Brand **DX-Marine** Model **THDX-15** Item **EA2601 · EA2602**

15-minute emergency escape device stored in its carrying bag, for a fast exit from a smoke-filled space.

| | |
|---|---|
| **Cylinder** | 3 L, alloy steel |
| **Working pressure** | 21 MPa |
| **Outlet pressure** | 0.65 ± 0.2 MPa |
| **Breathing resistance** | < 600 Pa |
| **Duration** | ≥ 15 min |
| **Weight** | ≤ 7 kg |

# 04 Fire-fighting

TC TRANSPORT CANADA | SOLAS

## Fire-fighter's outfit

Brand **DX-Marine** Model **DXPC-1** Item **DXPC-1**

Complete protective outfit for on-board fire teams: aramid fibre coat and trousers with reflective bands.

| | |
|---|---|
| **Set** | Coat and trousers |
| **Material** | Aramid fibre |
| **Colour** | Orange, reflective bands |

**REFERENCE STANDARDS**

SOLAS 1974 as amended · EN 469:2020

## Complete fire-team equipment

Equip every member of the fire team from one supplier, on one quote.

| | |
|---|---|
| **DXPC-1** | Fire-fighter's outfit: aramid fibre coat and trousers |
| **RHZK6.8-1 · EB2511** | SCBA, 6.8 L carbon fibre cylinder |
| **RHZK6-1 · EB2501** | SCBA, 6 L alloy steel cylinder |
| **THDX-15 · EA2601** | EEBD, 15-minute duration |

## 05 Also available

Data sheets and certificates on request.

### Child lifejacket
YY5591C · EA2103
Transport Canada approved. For ferries and passenger vessels.

### Adult lifejacket
YYY-I · EA2102
Transport Canada approved.

### Immersion suit
YYF-I · EA2001
Transport Canada approved.

### Chemical protective suits
For IBC and IGC tankers.

### Rescue stretchers
AC4901 · AC4902 · AC4903 · AC4913
Neil Robertson, basket and Paraguard stretchers.

## 06 Selection guide

Equipment commonly required on board, for guidance only.

| | Life-jackets | Immersion suits | Buoys & lights | Raft lights | SCBA | EEBD | Fire outfit | Chem. suits |
